### THANK YOU LETTERS

#### Legion work on food pantry great

By MICHAEL PAOLI  
Holmen

On behalf of the Onalaska/Holmen Area Emergency Food Basket board of directors, we would like to offer our heartfelt thanks to the members of Onalaska American Legion Post 336 for their recent remodeling and upgrade to our facility.

Their recent remodeling included re-siding, reroofing, realigning our shelves, floor repair, new paint and a new heating and air conditioning unit. We have received nothing but positive comments on the improvements from our clients, volunteers and board members.

The money saved in heating and cooling costs will allow us to buy more food at a time when the need is greatest. The Onalaska American Legion has gone above and beyond in supporting our cause and all the other community activities they support. They make our communities a better place to live in.

We should show our support for these veterans who have given so much for all of us. Please stop by the Legion and thank these veterans and help support their facility.

*Michael Paoli is president of the Onalaska/Holmen Area Emergency Food Basket board of directors.*

#### Post 336 spruces up Food Basket

By LISA J. KERR  
Onalaska

On behalf of the board of directors of the Onalaska-Holmen Food Basket and all of the clients served there, I would like to offer pro-

found thanks to Sand Lake American Legion Post 336 for the amazing facelift and improvements to the Food Basket site, which is part of its property. A significant increase in available space for the Food Basket has made it possible to increase storage of perishable foods donated.

A number of men did the work over a few months, but we would especially like to thank Al Topel for his leadership in making it happen.

A number of clients have expressed appreciation for

the respect accorded them by our volunteer staff, and the well-planned improvement to the facility increases that tone.

Thank you so much.

## Legionnaires, Auxiliary, S.A.L., and Friends

### GREETINGS TO ALL FROM THE COMMANDER:

We have completed Christmas and will go to press before the New Year arrives. I hope that your Christmas was everything you had hoped for. Now to add a ray of sunshine to your day; the New Year will see many resolutions, some old, some new and many will disappear by Valentines Day. The New Year always adds to the suspense of reminding us just how much we spend on Christmas; the bills are always on time.

A little news about my bride. We now have a computer system called a Dynavox that gives a verbal response when programmed. Sandy can type her thoughts and they will allow her to communicate verbally. The voice on the computer however is very annoying. It appears to be someone with a bad accent and mispronounces many words. Sandy also uses a "white board" which she writes on. I know I'm in trouble when she turns the volume up on the Dynavox and I am reprimanded by the person with the bad accent and mispronounced words. When she writes, I know it's "time-out-time" for me when she underlines and capitalizes all her words. I am learning to read & listen much more effectively. After all these years, she is still trying to train me, bless her heart.

As the New Year begins, a look back at 2009 will provide us with many great memories. However, looking forward is how we can best serve our members, friends and guests. Obviously our goal for 2010 is to ensure Post 336 continues to provide the support and services expected. As always, your concerns are important to me. Some may not be acted upon, some may, but all will be considered.

Many of our friends and members have migrated south for the winter. We wish them well and look forward to their return. Stay safe, stay warm, come on out to the Post for some relaxation when you can. We look forward to seeing you. Have a great January.

A quote to remember. "Victory belongs to those who believe in it the most and believe in it the longest. We're gonna believe. We're gonna make America believe too." Lt Col Jimmy Doolittle.

Freedom, like Victory, is not guaranteed. Freedom must be continually protected as it can be eroded internally as well as externally if we do not remain vigilant. It must not be taken for granted.

Remember to fly the flag. God Bless our troops, their families and our veterans. God Bless America.

# Veterans Outreach

This week I am going to review the Wisconsin educational benefits veterans may be eligible for. If you are looking at a career change, beginning a career or just learning something new you may have veteran benefits that can help. The wide range of education benefits include the Federal G.I. Bill, the Wisconsin G.I. Bill, the Wisconsin Veterans Education (VetEd) Grant, or the Wisconsin National Guard Tuition Grant or Tuition Assistance from a Reserve component. If eligible for tuition assistance from the National Guard or Reserves, you are not eligible for WDVA's VetEd Grant, but may still be eligible for the federal and Wisconsin G. I. Bills.

**The Wisconsin G.I. Bill.** This program tuition remission program provides a waiver of tuition and fees at University of Wisconsin System and Wisconsin Technical College System Schools. Eligible veterans and certain dependents may receive the greater of 8 full-time semesters or 128 credits for technical, undergraduate, professional or graduate study.

**Who is eligible for the Wisconsin G.I. Bill?** Veteran must have been a resident of Wisconsin at the time of entry into Active Duty military service or in the U.S. Armed Forces or forces incorporated in the U.S. Armed Forces. The military service must have been under honorable conditions, and must have included at least one of the following:

- 90 or more days active duty service during a statutorily designated wartime period.
- Two years active duty service during peacetime
- Active duty service that includes the award of the Expeditionary Medal or a qualifying campaign service medal
- The period of service was ended due to a service-connected disability, hardship or a reduction in forces.

**Is a dependent eligibility for the Wisconsin G. I. Bill?** A qualifying Wisconsin veteran's spouse, unremarried surviving spouse, and children are eligible for the remission when any of the following qualifying events occur:

- The veteran is killed in action.
- The veteran dies in the line of duty while on active, Reserve or National Guard service.
- The veteran's death after military service is determined by the federal VA to be the direct result of a service-connected condition.
- The veteran is awarded a federal VA service-connect disability combined rating of at least 30 percent.

The veteran's spouse can receive the remission for full-time or part-time study during the ten years following such an event; the veteran's children are eligible for the remission for full-time or part-time study beginning at age 17 and prior to age 26. An unremarried surviving spouse has an additional 10-year use period commencing with the youngest child reaching (for would have reached) age 18.

Potential applicants for Wisconsin and Federal VA educational benefits are encouraged to contact the La Crosse Veterans Service Officer, Jim Gausmann, for assistance at (608) 785-9719.

**If you want to discuss these benefits or any other Wisconsin or Federal Benefits I will be available at the Onalaska Post 336 Clubhouse on Saturday, January 16, 2010, from noon until 3:00 PM.**

## Legion Community Days

The Legion Community Days Committee and the Activities Chairmen have been working on the 2010 version of Legion Community Days. As many of you know the Onalaska Sunfish Days event has bit the dust and we will look to fill any void there may be for the people in our community and surrounding area. We will not leave the folks without a festive in Onalaska. We have a lot of things going on this year and we are hoping we can put them all in place for the weekend of August 27 - 29.

The Fire Department has joined with us and will hold their Fireman's Ball on Saturday night the 28<sup>th</sup> when the Flashback Band will be onstage. They will still have their auction items and will be selling tickets on all those great items in the beer tent that night. We will be increasing the number of units and hopefully more bands for our parade on Saturday morning as the committee is already working on that. There will be a larger softball tournament which may include a women's round robin section. Volleyball will again be on the docket. And we are hoping to have a bean bag toss tournament in addition to all of that.

We will be doing some things with the Freedom Flight this year as well so stay tuned for that. We are also working with Operation Homefront with doing something for the returning members of the 32<sup>nd</sup>. Brigade. The 7<sup>th</sup> district Legion Riders will be having a motorcycle run on Saturday ending up on the grounds as well. And our old standbys, Texas Hold'Em, Euchre and Bingo will be available all weekend.

It is looking like a busy weekend so mark it on your calendar now so as not to miss out on all the fun. Lot of good music food and fun. Legion Community Days, August 27 - 29, 2010.

*Mike Fries, Finance Officer*

Alright it's just about 2010! Time to finally renew that membership. Yes, we always have a lag time from Thanksgiving through New Years, and this year has been no exception.

We are actually on par with the normal membership totals to date. We still need those last 15% or so to send in or drop off their renewals for the 2010 membership year. If not renewed, please do so soon.

Let's extend our Post 336 "thank you" and welcome to new and transferred in members who include: Kert Hanson, Robert Monroe, and Joseph Sande. Hope to meet you all at one of our Post events.

## TEXAS HOLD'EM

It has been a very interesting Texas Hold-Em season; we had 13 winners in the 14 week tourney, one double winner. The double winner was Troy "Slippery" West.

We drew 3 from our qualifiers and the winner of this year's Fall Tourney was none other than a player who has been playing since we started. The 1st place went to Ed Pisarik; 2nd place Darrell Hanson; 3rd place Chris Lee; 4th place Bob Sullivan; 5th place Jim Kowal. Ed took

home a beautiful gold ring and \$\$\$\$\$.

Again thanks to the S.A.L. for the great food served and to Old Dutch and Chicago Beef Ect for their great contribution of food and snacks, and To Budweiser S&S Distributors for their generosity to the players

HAPPY NEW YEARS TO OUR LEGION FAMILIES FROM YOUR AUXILIARY OFFICERS!

I hope that each and every one of you had a wonderful holiday. I sure did. Seeing the grandchildren tear into the presents and seeing their faces with all that joy makes me count my many blessing. I thank God everyday for my 3 children, my brother and sister their families, and the entire wonderful friend that I have. What more could a person ask for.

I would like to thank Wilma and her group for a great Auxiliary Christmas Party. All that attend had a great meal prepared by Tonya and her 'LITTLE HELPER' from the Legion.

As 2009 came to an end we lost one of our Past Presidents, Norma [Rod] Johnson. Our prayers go out to Rod and family. I have many wonderful memories of Norma as I spent allot of time at their home with Norma and Rod's daughter Linda. I am sure that you also have great memories as Norma was a member for over 40 years here at Post 336.

If anyone is interested in having a membership drive please let me know at our next meeting as I would like to help Bev Mahlun reach her goal of 100%. Please pay your dues soon and we will not have to have that membership drive.

The Community Days Vendors Meeting was moved to Jan. 13th at 6:00. If there are any questions contact Judy Nimmo, chairman or Mary Boardman 2nd chair.

The January serving committee is: Trudy Lee 783-2773, Marlene Emery 783-3711, Marion Engstad 783-6754 and Lil Smith 781-5930

Stay warm and remember our veterans in our prayer.
